F. Evaluation and Comparison of Bids

34. Tender Evaluation

(A) Eligible Bidder

During the tender evaluation process **Non-statutory document** (document uploaded in My Space), **Bid - A & Bid - B** constituting the technical bid will be opened first and evaluated. The determination of eligible Tenderer for technical evaluation will be based on the following conditions:

- i) **Scrutiny of Form 9 (NIT Acceptance Form) duly notarized** - to proceed further for scrutiny of the checklist document.
- ii) **Scrutiny of documentary evidence as per Form 1: Check-list, Section V of Bid document submitted by the Tenderers - to decide on the eligibility of the bidder**
After verification of the above (i) and (ii) the bids of the eligible bidders will further be technically evaluated

(B) Technical Evaluation

(i) Spec Indicator

Technical specifications of the equipment consist of **Essential** and **Desirable** items. The **Desirables** will be considered and evaluated on a scale of 100. Details of **Desirables** of the Technical Specifications of Syringe Pump with allotted points/marks against range of parameters are given in the specifications.

Onsite/offsite physical inspection of the offered equipment will be conducted only in respect of the bidders who have succeeded in A (i) and A (ii) of Tender Evaluation. The functional demonstration (i.e. onsite/offsite physical inspection) of the equipment is purely at the discretion of the Technical Bid Evaluation Committee and its input shall be treated as only corroborative in nature and will not be a substitute for technical evaluation of the document submitted along with the bid. The decision of the Technical Committee in this regard will be final.

A bidder will be considered technically qualified if,

1. Comply with all **Essential** parameters of the technical specifications except minor deviation(s); and
2. Secure **60** points/ marks in **Desirables** of the technical specifications
 - i. The Bid - C (Financial Bids) of only those Tenderers qualifying the above evaluation will be opened.

Comparison of Financial Bids would be based on the sum of 'a' & 'b' taken together as mentioned in "Submission and Opening of Bids" quoted by the tenderers.
