## F. Evaluation and Comparison of Bids

### 34. Tender Evaluation

#### (A) Eligible Bidder

During the tender evaluation process **Non-statutory document** (document uploaded in My Space), **Bid - A & Bid - B** constituting the technical bid will be opened first and evaluated. The determination of eligible Tenderer for technical evaluation will be based on the following conditions:

- i) **Scrutiny of Form 9 (NIT Acceptance Form) duly notarized** - to proceed further for scrutiny of the checklist document
- ii) **Scrutiny of documentary evidence as per Form 1: Check-list, Section V of Bid document submitted by the Tenderers** - to decide on the eligibility of the bidder.

**After verification of the above (i) and (ii) the bids of the eligible bidders will further be technically evaluated**

#### (B) Technical Evaluation

Technical specifications of the equipment will be undertaken based on the report of onsite physical inspection of the equipments at facilities where installed and not ex-factory. However, onsite physical inspection will be conducted only in respect of the equipments of the bidders who have succeeded in A (i) & A (ii) of Tender Evaluation.

The functional demonstration (i.e. onsite physical inspection) of the equipment is purely at the discretion of the Tender Committee and its input shall be treated as only corroborative in nature and will not be a substitute for technical evaluation of the document submitted along with the bid. The decision of the Technical Committee in this regard will be final.

**A bidder will be considered technically qualified if,**

1. Comply with all the technical specifications except minor deviation(s)
