Sub : Floor work by floor tiles of vertical extension work upto 2<sup>nd</sup> floor of existing one storied building.

Sir,

I want to draw your kind attention about the fact that for construction of vertical extension work upto 2<sup>nd</sup> floor of existing one storied building with provision of Seminar Hall at 2<sup>nd</sup> floor at the west wing of Mahesh Bhattacharyya Homoeopathic Medical College & Hospital of Howrah District at an estimated cost of Rs.1,53,81,849.00(Rupees one crore fifty three lakh eighty one thousand eight hundred forty nine) only approved vide AAFS no.183/HF/AYUSH/Samity-15/2015 dated 04.12.2015 of West Bengal AYUSH Samity, Department of Health & Family Welfare out of the grants of National AYUSH Mission.

The work will be executed by the Executive Engineer, PWD Howrah Construction Division & Ex-officio Executive Engineer, West Bengal Medical Services Corporation Limited as per norms stated in the order of the Health & Family Welfare Department, M.S. Branch vide no.HF/O/MS/384/W-30-12 dated 01.06.2012.

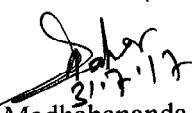

Now for expenses out of contingency is Rs.1,50,006,682.00.

E. Tendering was done by Executive Engineer, Howrah Construction Division and lowest bidder was 20% less than schedule amount. So Rs.30,01,336.00 is under MSCL.

In previous rough cost estimate in 2014 Tiles work was not mentioned. So, if you allow for Floor Tiles work including wall tiles upto 5 ft.height and bathroom tiles upto 6 ft.height and Aluminium Sliding Windows with fittings from incurring that fund, then Executive Engineer, Howrah Construction Division will execute the purpose and that will be better floor work and building would be updated.

This is for your kind information and your hearty cooperation is solicited for public interest.

With regards,

  
Prof. (Dr.) Madhabananda Saha
