Registered Office: Swasthya Sathi, GN-29, Sector-V, Salt Lake, Kolkata - 700 091

Ph: 033-40340300 Fax:40340400 website: www.wbmsc.gov.in e-mail: procurement@wbmsc.gov.in

Memo No. WBMSCL/EoI-95/2018

Dated: 18th May, 2018

NOTICE INVITING EXPRESSION OF INTEREST

West Bengal Medical Services Corporation Limited (WBMSCL) is a Company fully owned by the Government of West Bengal, mandated to create physical infrastructure and procure High End Medical Equipment on behalf of the Government, for different Health facilities spread across the State. WBMSCL has recently been entrusted with procurement of High End Medical Equipment for different Medical Colleges & Hospitals.

For transparency in the procurement process and to ensure level playing ground for all stakeholders, WBMSCL would like to invite Expression of Interest from all intending bidders, in accordance with the procedure elaborated below, and subject to the broad terms and conditions mentioned, to ensure widest possible participation and encourage healthy competition among the bidders.

- a) Only Original Equipment Manufacturers (OEM) and their Indian Subsidiaries and / or Authorized Dealers and Distributors of the OEM if they do not have any Registered Office in India would only be allowed to participate in the process. The latter category of bidders would be allowed to participate only if they agree to remain responsible for providing Comprehensive Maintenance Services (including all spares) for the entire useful life of the Equipment after expiry of the Warranty Period.
- b) The Discipline/ Department wise list of Medical Equipment proposed to be procured for each of the Medical Colleges, and the tentative numbers of each item proposed to be procured have been indicated at **Annexure A (Part I and Part II)**. Detailed specification for any of the items have deliberately not been provided.
- c) In the first stage, the Intending Bidders would have to get themselves registered with the e-Tender Portal of the Government of West Bengal at www.wbtenders.gov.in and upload some basic information including inter alia, their Contact details, Annual Turnover, Volume of Business in India, Credential of Government Supply in India etc. in the format provided at **Annexure B** in the form of a .pdf file.
- d) The Intending Bidders will thereafter have to specify the Code Numbers of the items of Medical Equipment for which they intend to participate in the Tender, and specify the Model (s) of the Equipment they intend to offer and upload the details in the format provided at **Annexure C**, in the form of a .pdf file.
- e) Each Prospective Bidder would also be required to submit separate Detailed Technical Reports (DTR) in respect of the Model(s) proposed to be offered against each item of Medical Equipment in the form of a .pdf file. Such DTRs should contain Technical Data Sheets, specifying each of the measurable / quantifiable input or output parameters of the Model(s) proposed to be offered, as well as the non-measurable but distinctive attributes / characteristics / special features of the Model(s).
- f) An Expert Committee consisting of Domain Experts and Bio Medical Engineers etc. would be constituted by the Health & Family Welfare Department for each of the Disciplines, to examine

the DTRs submitted by different Prospective Bidders against each item of Medical Equipment, and determine whether the Input / Output parameters and the relevant attributes / characteristics / special features are optimally suited to meet the clinical requirements for which the Medical Equipment is intended to be used, or not. The Expert Committee would also be at liberty to request any of the Prospective Bidders to provide clarifications required on technical specifications provided in the DTR, if any, and/or request for physical demonstration of the offered Medical Equipment at any of the Hospitals in Kolkata where it is currently installed, if considered necessary.

- g) The Expert Committee would thereafter shortlist the Bidders Qualified, primarily on the basis of the above mentioned objective considerations, for the second stage of the Tender. The list of Qualified Bidders would duly be published in www.wbtenders.gov.in and the website of WBMSCL at www.wbmsc.gov.in indicating the item-wise Models that have been found to satisfy the threshold technical parameters and hence qualified for the Second Stage of the Tender process. For non-qualified models on the other hand, a consolidated statement indicating the threshold limits of the qualifying parameters and the reasons for non-qualification would similarly be published in the Departmental website, but no individual communications would be sent.
- h) Limited Tender would thereafter be invited from among the Qualified Bidders within a pre notified date and time, subject to fulfilment of the other Tender Formalities. Only Financial Bids in Electronic Format would have to be submitted through the e-tender portal of the State Government at www.wbtenders.gov.in and after opening of Financial Bids in presence of the intending Bidders on the appointed date and time, the lowest among the Bidders against each item of Medical Equipment would generally be awarded the Contract, after observance of the related formalities.
- i) The decision of the Expert Committee in the matter of shortlisting the Prospective Bidders would be final and binding upon all participants in the tender, and the Tender Inviting Authority would have the absolute discretion to reject or accept the offer of any bidder, without assigning any reason whatsoever.
- j) The number of each of the items of Medical Equipment specified in Annexure A is tentative and WBMSCL would be at liberty to procure such Medical Equipment in as many tranches as may be considered expedient, in the interest of public services.
- k) The rate offered in the Financial Bid should remain valid for a period of 2 (two) years from the date of issue of Award of Contract (AOC) by WBMSCL, but may be extended on mutual agreement.

Interested OEMs / Authorized Distributors / Dealers are therefore invited to Express their Interest by furnishing the basic information in the formats provided at **Annexure B and C, along with soft copies of DTRs** of the offered items of Medical Equipment and upload the relevant documents in the form of pdf files to www.wbtenders.gov.in within 30 June 2018. Queries in the matter, if any, may please be emailed to procurement@wbmsc.gov.in within 15 (fifteen) days from the date of publication of this notice.

An Interactive Session with the Prospective Bidders has been arranged at 11:00 am on 06 June 2018 in the 2nd Floor Auditorium of Swasthya Bhaban, GN-29, Sector V, Salt Lake, Kolkata 700091. Interested bidders are requested to confirm their participation at procurement@wbmsc.gov.in within 31 May 2018. More than 2 (two) representatives of a Bidder would not be allowed to attend the session owing to space constraints.
