Clause19A. No labour/s below the age of eighteen years shall be employed in the Labour workandthecontractorshallabidebytheprovisionsoftheChild Labour (Prohibition 1986.Employmentoffemalelabour/sinworksin the &Regulation) Act, neighborhoods ofsensitivebarracksshouldbeavoidedasfaraspossible.

Clause 19B. The Contractor shall pay to labours employed by him/her either directly Payment orthroughSubofminimum Contractors, wages not less than fairwages as defined by the Labour Commissioner of the State Wages Government under 'Minimum Wages toLabour Contractor'sLabourRegulationsoraspertheprovisionsoftheContractLabour(Regulationand

Abolition)Act,1970,whereverapplicable.

The contractors hall, notwith standing the provisions of any contract to the contrary, cause to be paid fair wage to labour indirectly engaged on the work, including any labour engaged by his sub-contractors inconnection with the said work, as if the labour had been immediately employed by him/her.

In respectof all labourers directly or indirectly employed in the works for performance of the Contractor's part of the contract, the contractor shall comply with or cause to becomplied with the contractor's Labour Regulations made by the State Government/Government of the state ofIndia, from time to time in regard to payment of wages, wage period, deductions from wages, recovery of wages not paid and deductions made withoutauthority, maintenanceof wage books or wage slips, publication of scale of wage andother terms of employment, inspection and submission of periodical returns and all othermatters likewise in nature or as per the provisions of the Contract Labour (Regulation and Abolition) Act, 1970, and the Inter-State Workmen Migrant (Regulation of EmploymentandConditionsofService)Act,1979,MinimumWagesAct,1948,whereverapplicable.

- a) The Engineer-in-Charge concerned shall have the right to deduct from the money due to the contractor any sum required or estimated to be required for making good theloss suffered by a worker or workers by reason of non-fulfillment of the conditions of the contract for the benefit of the workers, non-payment of wages or of deductionsmade from his/her/their wages which are not justified by their terms of the contractornon-observanceoftheregulations.
- b) Under the provision of Weekly Holidays Act, 1986, the contractor is bound to allow tothe labours, directly or indirectly employed in the work, one day rest for 6 days ofcontinuous work, and pay wages at the same rate as for duty. In the event of default, the Engineer-in-charge shall have the right to deduct the sum or sums not paid onaccount of wages for weekly holidays to any labour and pay the same to the personsentitledtheretofromanymoneyduetothecontractorbytheEngineer-in-chargeconcerned.

The contractors hall also comply with the provisions of the 'Employees Liability Act, 2008', Workmen's Compensation Act and 'Maternity Benefits Act'or the amendments there of or any other law relating thereto, and the rules made there under from time to time. The Contractor shall indemnify and keep indemnified the implementing Department against payments to be made under and for the observance of the laws a foresaid and PWC on tractor's Labour Regulations without prejudice to this right to claim indemnity

fromhis/hersub-contractors.

Thelawsaforesaidshallbedeemedtobea part of this contract and any breach thereofshallbedeemedtobeabreachofthiscontract.

Whatever is the minimum wage for the time being, or if the wage payable is higher than minimum wage, such wage shall be paid by the contractor to the workers directly without the intervention of any Dafadar, and that Dafadar shall not be entitled to deduct or recover any amount from the minimum wage payable to the workers as and by way of commission or otherwise.

The contractorshallensure that no amount by way of commission or otherwise is deducted or recovered by the Dafadar from the wage of workers.

Clause 19C.In respect of all labours directly or indirectly employed in the work for theperformance of the contractor's part of this contract, the contractor shall at his/her ownexpenses, arrange for the safety provisions as framed from time to time by the competentauthority, and shall athis/her own expense provide all facilities in connection therewith. In case the contractor fails to make arrangement, and fail to provide necessary facilities asaforesaid, he/she shall be liable to pay a penalty of Rs. 2000/- for each default, and inadditiontheEngineer-in-

Charge shall be at liberty to make arrangement and provide facilities as a foresaid and recover the costs incurred in their behalf, from the contractor.

Clause19D. For the works above Rs. 2.0 crore, the Contractor shall submit by the 4thand19thofeverymonthtotheEngineer-in-

charge, a true statement showing in respect of the second half of the preceding month and the first half of the current month respectively-

Thenumberoflabourersemployedbyhim/heronthework,theirworkinghours, and the

wagespaidtothem;

Accidents that had occurred during the said fortnight showing the circumstances underwhich it hadhappened, and the extent of damage and injury caused by them, and thenumber of female workers who have been allowed maternity benefits according to Clause19Fofthecontractandtheamountpaidtothem;

Failing which the contractor shall be liable to pay to the Department, a sum not exceedingRs.2000/-

foreachdefaultormateriallyincorrectstatement.ThedecisionoftheEngineer-in-charge shallbe final in deducting from any bill due to the contractor; theamountleviedasfineandwouldbebindingonthecontractor.

Clause19E.In respect of all labours directly or indirectly employed in the work for theperformanceofthecontractor'spartofthiscontract, the contractor shall comply with or cause to be compiled with all therules framed by the Government from time to time for the protection of health and sanitary arrangements of workers employed by the contractor.

Clause 19F. In the event of the contractor(s) committing a default or breach of any of the provisions of the Contractor's Labour Regulations and Rules for the protection ofhealthand sanitary arrangement for the workers as amended from time to time or furnishing

anyinformationorsubmittingorfilinganystatementundertheprovisionsoftheaboveRegulatio nsandRuleswhichismateriallyincorrect, he/she shall, without prejudice toanyotherliability,paytotheDepartmentasumnotexceedingRs.2000/- for everydefault,breachorfurnishing,making,submitting,filingsuchmateriallyincorrectstatemen ts and in the event of the contractors defaulting continuously in this respect, thepenaltymaybeenhancedtoRs.200/-perdayforeachdayofdefaultsubject to amaximum of <u>five per cent</u> of the tendered value. The decision of the Engineer-inchargeshallbefinalandbindingontheparties.

ShoulditappeartotheEngineer-in-chargethatthecontractor(s)is/arenotproperlyobserving and complying to the provisions of the Contractor's Labour Regulations andRules, The Minimum Wages Act, 1948 and Contract Labour (Regulation and Abolition) Act1970, for the protection of health and sanitary arrangements for work-people employed bythe (hereinafterreferredas'thesaid contractor(s) Rules') the Engineer-in-charge shall have the power to give notice in writing to the contractor(s) requiring that the said Rules becomplied with and the amenities prescribed therein be provided to the work-peoplewithin a reasonable time to be specified in the notice. If the contractor(s) shall fail within the period specified in the notice to comply with and/or observe the said Rules and toprovide the amenities to the work-people as aforesaid, the Engineer-in-charge shall havethepowertoprovidetheamenitieshereinbeforementionedatthecostofthecontractor(s). The contractor(s) shallerect, make and maintain at his/her own expenseand to approvedstandardsallnecessaryhutments and sanitary arrangements requiredfor his/her/their work-people on the site in connection with the execution of the works, and if the same shall not have been erected or constructed, according to approve d standard s,theEngineer-in-chargeshallhavepowertogivenoticeinwritingtothecontractor(s) requiring the said hutments arrangements that and sanitary he remodeledand/orreconstructsuchhutmentsandsanitarvarrangementsaccordingtoapproved standards, and if the contractor(s) shall fail to remodel or reconstruct such hutments and sanitary arrangements according to approved standards within the period specified in the notice, the Engineer-in-charge shall have the power to remodel or reconstruct such hut mentsand sanitary arrangements according to approved standards at the cost of thecontractor(s).

Clause19G. The contractor shall comply with all the provisions of The Minimum WagesAct,1948,ContractLabour(RegulationandAbolition)Act,1970,EmployeesLiabilityAct,Indu strial Dispute Act and Maternity Benefit Act, 1961, as amended from time to timeand rules framed thereunder andother labour laws affecting contract labour that may bebroughtintoforcebytheappropriateauthorityfromtimetotime.

Clause 19H. The Engineer-in-charge may require the contractor to remove from the siteof work, any person or persons engaged/assigned or employed by the contractors upontheworkwhomaybedeterminedasinsaneorincompetentormisconductshimself/herself, andthecontractorshallforthwithcomplywithsuchrequirements.

Clause 19I. It shall be the responsibility of the contractor to see that the

building/structure under construction is not occupied by anybody unauthorized duringconstruction, and is handed over to the Engineer-in-charge with vacant possession freefromencumbrancesinentirety,Ifsuchbuildings/structuresthrough completed isoccupiedillegally,thentheEngineer-in-Chargeshallhavetheoptiontorefusetoacceptthe saidbuilding/structurein that position. Any delay in acceptance on this account willbe treated as the delay in completion and for such delay a levy up to 5% of tendered valueof work may be imposed by the Engineer-in-charge whose decision shall be final both withregardtothejustificationandquantumandshallbebindingonthecontractor.

However, the Engineer-in-charge, through a notice, may require the contractor to remove heillegaloccupations, any time on or before construction and delivery.

Thisprovisionswillbeapplicableirrespective of the value of the works to which thedisputemayrelate.

Clause 26. The contractor shall fully indemnify and keep indemnified the implementingDepartment against any action, claim or proceeding relating to infringement or use of anypatent or design or any alleged patent or design rights and shall pay any royalties whichmay be payable in respect of any article or part thereof included in the contract. In theevent of any claims made under or action brought against implementing in respect of any such matter as a foresaid, the contractor shall be immediatelyDepartment notified hereof by the implementing Department and the contractor shall be at liberty, at his/ herown expense, to settle any dispute or to conduct any litigation that may arise therefrom, provided that the contractor shall not be liable to indemnify the implementing Departmentif the infringement of the patent or design or any alleged patent or design right is the direct result of an order passed by the Engineer-in-Chargethis behalf.

Lump sum as inestimates	Clause27. Whentheestimateonwhichthetenderis made includes lump sums inrespect of parts of the work, the contractor shall be entitled to payment in respect of theitems of works involved or the part of the work in question at the same rates as are payableunder this contract for such items, or if the part of the work in question is not, in theopinion of the Engineer-in-charge, capable of measurement, certificate in writing of the Engineer-in-chargeshallbefinaland conclusive against the contractor with regard to any sum or sum spayabletohim under the provision softhis clause.
Actionwhereno specification	Clause 28. In the case of any class of work for which there is no such specifications as referred to under Clause 11, such work shall be carried out in accordance with the latestBureau of Indian Standards (BIS) specifications. In case there are no such specificationsinBureauofIndianStandards, theworkshallbecarriedout as per reputedmanufacturer's specifications if accepted by the Engineer-in-Charge. If not available, thenas perState Government / Union Government accepted and approved specifications. Incasetherearenosuchspecificationsasrequiredabove, the workshallbecarriedoutinallrespect sinaccordance with the instructions and requirements of the Engineer-in-Charge which is approved by the TenderAcceptingAuthority.
Definition ofworks	Clause 29 . The expression "works" or "work" where used in these conditions shall, unless there be something either in the subject or context repugnant to such construction, be constructed and taken to mean the works by or by virtue of the contract constructed to be executed, whether temporary or permanent and whether original, altered, substituted or additional.

Clause 30. The Contractor(s) shall at his/their own cost provide his/their labour withhuttingonanapprovedsite, and shall make arrangements for conservancy and sanitation in the labour camp to the satisfaction of the local Public Health and MedicalAuthorities.He/theyshallalsoathis/theirowncostmakearrangementsforthelaying

of pipe lines for water supply to his/their labour camp from the existing mainswhereveravailable,andshallpay allfees, charges and expenses in connection with thereand incidental thereto.

Clause 31.The contractor(s) shall make his/their own arrangements for water requiredfortheworkandnothingextrawillbepaidforthesame.Thiswillbesubjecttothefollowin gconditions:-

- i) That the water used by the contractor(s) shall be fit for construction purposes to thesatisfactionoftheEngineer-in-charge;
- ii) The Engineer–in-Charge shall make alternative arrangements for supply of water atthe risk and cost of contractor(s) if the arrangements made by the contractor(s) forprocurementofwaterare,intheopinionoftheEngineer-in-Charge,unsatisfactory.

Clause 32.The contractor undertakes to make arrangement for the supervision of thework by the firm supplying the construction materials. The Contractor shall collect thetotalquantityofmaterialsasperapprovedprogrammerequiredfortheworkasperapproved programme, before the work is started and shall hypothecate it to the Engineer-in-Charge. If any material remains unused on completion of the work on account of lesseruseofmaterialsinactualexecutionforreasonsotherthanauthorizedchangesofspecificati ons and abandonment of portion of work, a corresponding deduction equivalenttothecostofunusedmaterialsasdeterminedbytheEngineer-in-

Chargeshallbemadeand the material returned to the contractor. Although the materials are hypothecated toInstitute, the contractor undertakes the responsibility for their proper watch, safe custodyand protection against all risks. The materials shall not be removed from site of workwithouttheconsentoftheEngineer-in-Chargeinwriting.

The contractor shall be responsible for rectifying defects noticedwithinDefectLiability Period from the date of completion of the deposite lating to workshall be refunded after the expiry of Defect Liability Period.security

Clause 33. The contractor shall provide all necessary superintendence during executionoftheworkandaslongthereafterasmaybenecessaryforproperfulfillingoftheobligati onsunderthecontract.

The contractor shall immediately after receiving letter of acceptance of the tender andbeforecommencementofthework,intimateinwritingtotheEngineer-in-

Charge,thename(s),qualifications,experience,age,address(es)andotherparticularsalongwith certificates, of the principal technical representative to be in charge of the work and othertechnical representative(s) who will be supervising the work. The Engineer-in-Charge shallwithin 3 days of receipt of such communication intimate in writing his/her approval orotherwise of such representative(s) to the contractor. Any such approval may at any timebe withdrawn and in case of such withdrawal, the contractor shall appoint another suchrepresentative according to the provisions of this clause. Decision of the tender acceptingauthority shall be final and binding on the contractor in this respect. Such a principaltechnical representative shall be appointed by the contractor soon after receipt of theapprovalfromtheEngineer-in-Chargeandshallbeavailableatsitebeforestartofwork.

If the contractor (or any partner in case of firm / company) himself/herself has such qualifications, it will not be necessary for the said contractor to appoint such a principaltechnical representative but the contractor shall designate and appoint a responsible agentto represent him and to be present at the work whenever the contractor is not in a positionto be so present. All the provisions applicable to the principal technical representative the clause will also be applicable in such a case to the contractor or his responsibleagent.Theprincipaltechnicalrepresentativeand/orthecontractorshallonreceivin greasonablenoticefromtheEngineer-in-Chargeorhisdesignatedrepresentative(s)incharge of the work in writing or in person or otherwise, present himself/herself to theEngineer-in-Chargeand/oratthesiteofwork, as required, to take instructions. Instructions given to the principal representative responsibleagent technical orthe shallbedeemedtohavethesameforceasifthesehavebeen given to the contractor. Theprincipal technical representative and/or the contractor or his/her responsible authorized agent shall be actually available at site especially during important stages of execution ofwork,duringrecordingofmeasurementofworksandwheneversorequiredbytheEngineer-in-Charge by a notice as a foresaid and shall also noted own instructions conveyed by the Engineerin-Chargeorhis/herdesignatedrepresentativeinthesiteorder

ContractorsSupe rintendence,Supe rvision,Technical Staff &Employees book and shall affix his signature in token of noting down the instructions and in token of acceptanceofmeasurements.

IftheEngineer-in-

Charge, whose decision in this respect is final and binding on the contractor, is convinced that no surface the second secondchtechnicalrepresentative(s)is/areeffectivelyappointed or is/are effectively attending or fulfilling the provision of this clause, a recovery(non-refundable) shall be effected from the contractor as specified in Schedule and the decision of the Engineer-in-Charge as recorded in the site order book and measurementrecorded checked / test checked in Measurement Books shall be final and binding on the contractor. Further if the contractor fails to appoint a suitable technical representativeand/or other technical representative(s) and if such appointed persons are not effectively present or are absent by more than two days without duly approved substitute or do notdischarge their responsibilities satisfactorily, the Engineer-in-Charge shall have full powers to suspend the execution of the work until such date as suitable other technical representation of the subscription otive(s) is/are appointed and the contractor shall be held responsible for thedelay so caused to the work. The contractor shall submit a certificate of employment of thetechnicalrepresentative(s)alongwitheveryrunningaccountbill/finalbillandshallproducee videnceifatanytimesorequiredbytheEngineer-in-Charge.

The contractorshall provide and employon thesite only such technical assistants as a reskilled and experienced in their respective fields and such foremen and supervisory staff as a recompetent to give proper supervision to the work.

The contractor shall provide and employ skilled, semi-skilled and unskilled labour as isnecessaryforproperandtimelyexecutionofthework.

TheEngineer-in-Chargeshallbeatlibertytoobjecttoandrequirethecontractortoremovefrom the works any person who, in his opinion, misconducts himself, or isincompetent ornegligentintheperformanceofhisdutiesorwhoseemploymentisotherwiseconsideredbythe Engineer-in-Charge to be undesirable. Suchperson shall not be employed again atworks site without the written permission of the Engineer-in-Chargeandthepersonssoremovedshallbereplacedassoonaspossiblebycompetentsubstitutes.

Clause34."Levy/ TaxesPayablebyContractor"

- (i) GST,BuildingandotherConstructionWorkers'WelfareCessoranyothertaxorCess in respect of this contract shall be payable by the Contractor and Engineer-in-Chargeshallnotentertainanyclaimwhatsoeverinthisrespect.
- (ii) The contractor shall deposit Government Royalty and obtain necessary permit forsupply of the sand, stone chips, red bajri, sand stone, river bed materials etc. fromlocalauthorities,ifthosearedirectlyprocuredfromquarrysites.

In case materials are procured from secondary sources, certificates of quarry ownersto the effect of payment of royalties and Cess would have to be furnished. In absenceofsuchcertificatestowardspaymentofRoyaltiesandCesssuchcomponentsshall be deducted from the contractor's bills at prescribed rates and deposited through'GRIPS'portalorotherwise,inthedesignatedGovernmentTreasuries/PAO.

If pursuant toor under any law, notification or order, any Royalty, Cessor the like becomes payable by the implementing Department and does not at any time become payable by the contractor to the State Government/Local appropriate authorities in respector fany material used by the contractor in the works then in such a case, it shall be lawful to the Department and it will have the right and be entitled to recover the amount paid in the circumstances as a foresaid from dues of the contractor.

Clause35.

- Alltenderedratesshallbeinclusiveofstatutorytaxesandleviespayableunderrespective statutes. However, if any further tax or cess is imposed by Statute, after $the last stipulated date for the receipt of tender including extensions if any and the contractor {\contract} and {\contract$ thereupon necessarily and properlypayssuchtaxes/levies/cess,thecontractor shall be reimbursed the amount so paid. Provided such payments, ifany, is not, in the Engineer-in-charge (whose decision shall opinion of the he final andbindingonthecontractor)attributabletodelayinexecutionofworkwithinthecontrolof thecontractor.
- (ii) The contractor shall keep necessary books of accounts and other documents for thepurpose of this condition as may be necessary and shall allow inspection of the samebyadulyauthorizedrepresentativeoftheDepartmentand/ortheEngineer-in-Charge

andfurthershallfurnishsuchotherinformation/documentas the Engineer-in-Chargemayrequirefromtimetotime.

(iii) The contractor shall, within a period of 30 days of the imposition of any such furthertax or levy or cess, give a written notice thereof to the Engineer-in-Charge that thesameisgivenpursuanttothiscondition,togetherwithallnecessaryinformationrelatingt hereto.

Clause 36.Without prejudice to any of the rights or remedies under this contract, if the contractor dies, the Engineer-in-charge shall have the option of terminating the contractwithout compensation to the contractor, but would be liable to clear full dues and claimsonworkdonetohis/herlegalsuccessor/s.

Clause 37.The contractor shall not be permitted to tender for works in which his nearrelative is posted as in any capacity between the grades of the Executive Engineer andJunior Engineer (both inclusive). He shall also intimate the names of persons who areworking with him/her in any capacity or are subsequently employed by him/her and whoarenearrelativestoanyOfficialintheInstitute.Anybreachofthisconditionbythecontractor wouldrenderhim/herliabletoberemovedfromtheapprovedlistofcontractorsof the Department. If however the contractor is registered in any other Department, he/sheshallbedebarredfromtenderingintheDepartmentforanybreachofthiscondition.

NOTE:Bytheterm"nearrelatives"ismeantwife,husband,own parents andgrandparents,ownchildrenandgrandchildren,ownbrothersandsisters,own uncles,auntsandfirstcousinsandtheircorrespondingin-laws.

Clause38.Noengineerof Gazetted Rank other Gazetted or Officer employed inengineeringoradministrativedutiesintheGovernmentshallworkasa contractor oremployee of a contractor for a period of one year after his/her retirement from Governmentservice without previous permission of Government in writing. the This contract is liable to be cancelled if either the contractor or any of his employees is found at any time to be such aperson who had not obtained the permission of Government as a foresaid, before submission of the tender of tenderrengagementinthecontractor'sservice,asthecasemaybe.

Clause 39.The work (whether fully constructed or not) and all materials, machines, toolsand plants, scaffolding, temporary buildings and other things connected therewith shall beat the risk of the contractor until the work has been delivered to the Engineer-in-Chargeand a certificate from him/her to that effect obtained. In the event of the work or anymaterials properly brought to the site for incorporation in the work being damaged ordestroyed in consequence of hostilities or warlike operation, the contractor shall whenordered (in writing) by the Engineer-in-Charge to remove any debris from the site, collectand properly stack or remove in store all serviceablematerials salvaged from the damagedworkandshallbepaidatthecontractratesinaccordancewiththeprovisionofthisagree ment for the work of clearing the site of debris, stacking or removal of serviceablematerialandforreconstructionofallworksorderedbytheEngineer-in-

Charge, such payments being in addition to compensation up to the value of the work originally exe cuted before being damaged or destroyed and not paid for. In case of works damaged or destroyed but not already measured and paid for, the compensation shall be assessed by the Engineer-in-

Chargeconcerned.Thecontractorshallbepaidforthedamages/destructionsufferedandforther estoringthematerialattheratebasedonanalysisofratestenderedforinaccordancewiththeprovi sionofthecontract.ThecertificateoftheEngineer-in-Charge regarding thequality andquantity of materials and the purpose for which they were collected shall be final and binding on all parties to thiscontract.

Provided always that no compensation shall be payable for any loss in consequence ofhostilities or warlike operations (a) unless the contractor had taken all such precautionsagainst air raid as are deemed necessary by the Air Force Officers or the Engineer-in-

Charge(b)for any material etc. not on the site of the work or for any tools, plant, machinery, scaffolding, temporary building and other things not intended for the work.

In the event of the contractor having to carry out reconstruction as aforesaid, he/she shallbe allowed such extension of time for its completion as is considered reasonable by theEngineer-in-charge.

Clause40.The contractors hall comply with the provisions of the Apprentices Act, 1961and the Apprentices hip Rules, 1992and orders is sued the reunderfrom time to time. If

he/she fails to do so, his/her failure will be a breach of the contract and the Engineer-in-Charge may,in his/herdiscretion, cancel the contract.Thecontractor shallalso be liablefor any pecuniary liability arising on account of any violation by him/her of the provisionsofthesaidAct.

Clause 41.Procedure For Suspension and Debarment of Supplier, Contractors andConsultants
