Date :11.07.2017

Sd/-
Managing Director

West Bengal Medical Services Corporation Ltd is entrusted for Topographical Survey of Arambagh Medical College in the campus of Arambagh Sub-Divisional Hospital in the District of Hooghly. The facilities like Academic Block, Resident Hostel, Interns Hostel, Boys Hostel, Girls Hostel Nurses Quarter and Auditorium will be build up in the Arambagh Sub Divisional Hospital.

West Bengal Medical Services Corporation Ltd intends to verify and update the record of the entire land available for the campus including all the existing and proposed facilities. Hence it is proposed to conduct a detailed topographical survey for the entire area (approx: 21.41 Acre) occupied for the Campus as per the attached scope of work, Technical Specifications and General Conditions.

1. Detailed Scope of Work

The scope of work consists of the following:

Clearing the area (without cutting any trees) as required for the smooth surveying of the land as per the specifications, Conducting detailed topographical survey of the proposed area of **21.41 Acres** (approximately) as marked in **Drg. No: 1939/1**, using total station by taking spot levels at 10m x 10 m grid or at every change in terrace whichever is smaller at the area marked and locating all physical features in the area. All roads have to be marked and wherever the land profile is in a terraced form, the levels of each terrace on both edges to be taken and the width of each terrace to be marked clearly in the drawings. All levels are to be connected to a permanent bench mark available near the area, Erecting grid pillars indicating Reduced Level and Coordinates as specified.

Preparation and submission of topographical drawings showing all boundary details and measurements indicating all buildings, structures, foundations, supports, rivers, streams, drains, towers etc and salient features of the ground. Existing plinth level in the buildings level in open areas, located within the area to be surveyed, shall also be indicated in the details, Preparation of contour maps showing reduced levels at 10 m intervals or at points where abrupt changes are noted with contours of 2m interval. Reduced levels of the existing roads, along the centre line, at 15 m interval are also to be shown, Buildings, drains, canals, water bodies, trees, fencing / compound wall, retaining walls, over head power lines, pipes, bore wells, all foundations above ground level, etc. to be noted in the survey map.

This is not conclusive and any other items of work as provided in the schedule of Items of work and items which are required for the satisfactory completion of the work shall be under the scope of the Contractor.

2. Bidder Qualification Criteria for Topographical Survey

Firms desire to participate shall meet the following Pre-Qualification Criteria.

A. Technical Criteria

- i. Experience of having successfully completed similar assignment (Topographical Survey) during last 7 years ending 30-06-2017 should be either of the following:

One similar completed work costing not less than the amount equal to ` 1.5 Lakhs.

OR

Two similar completed works costing not less than the amount equal to ` 0.90 Lakhs.

OR

Three similar completed works costing not less than the amount equal to ` 0.75 Lakhs.

Note:

The firms desirous of participation shall produce documentary evidence on the above **Ai** said requirements and these shall be Original / Notary / Gazetted officer attested copies of work order /award letters, completion certificates, accreditation letters, experience certificates, proof of technical expertise, etc.

B. Financial Criteria

- i. Average annual financial turnover during the last 3 years, ending 31st March 2016 should be at least Rs.3.25 Lakhs. (FY 2014-15, 2015-16, 2016-17),
Copies of Annual Reports / Audited accounts for the last three years (**2014-15, 2015-16 & 2016-17**) including Balance sheet, Profit & Loss account, Schedules, Notes on accounts, Auditors report, Directors report etc., if the company is a listed one, otherwise Chartered Accountant certified original / Gazetted officer attested copies of the above documents shall be submitted along with the offer.
- ii. Original and valid Solvency Certificate from Scheduled Banks (fall within the last one year from the date of this NIT) for a minimum amount of ` 2.0 (Two) lakh to which the quotationer is solvent to prove the Financial Capability to carry out the Work quotationed for.

Date: 11.07.2017

WBMSCL	CONDITIONS OF QUOTATION AND INSTRUCTIONS TO BIDDERS	Page 1 of 8
		WBMSCL/NIQ – 23/2017

CONDITIONS OF QUOTATION

1. ACCEPTANCE / REJECTION OF QUOTATIONS :

WBMSCL reserves the right to accept or reject any quotation in whole or in part without assigning any reason. Incomplete and late quotations are liable to be rejected.

2. VALIDITY :

All quotations must be valid for a period of from the date of opening of the quotation, unless otherwise specified in the NIT.

The quotation for the works shall remain open for acceptance for a period of Three Months from the date of opening of Technical bid. If any quotationer withdraws his quotation before the said period or issue of letter of acceptance, whichever is earlier, or makes any modifications in the terms and conditions of the quotation which are not acceptable to the WBMSCL, then the WBMSCL shall, without prejudice to any other right or remedy, be at liberty to forfeit the said Earnest Money as aforesaid. Further the quotationers shall not be allowed to participate in the retendering process of work.

3. EARNEST MONEY DEPOSIT (EMD) :

The Earnest Money Deposit amount for this quotation is as specified in the Notice Inviting Quotation and it shall drawn from Scheduled Banks in favour of WBMSCL, Payable at KOLKATA.

4. TIME SCHEDULE :

The time allowed for carrying out the work is **One Months**. Any request for revision in time schedule or any other terms of quotation after quotation opening will not be allowed.

5. COLLECTION OF DATA :

The Quotationer shall visit the site and acquaint himself fully of the site conditions. The Quotationer shall also satisfy himself about the availability of labour, likely labour demands, problems of weather conditions, infra structural facilities, etc. No claims whatsoever will be entertained on the plea of ignorance or difficulties involved in the execution of study.

6. LETTER OF INTENT (LOI):

In the event of WBMSCL issuing to quotationer a "Letter of Intent" conveying their decision to accept the quotation along with all Schedules, subsequent correspondences, minutes of meetings of discussions, the quotationer shall commence execution of work in full earnest.

WBMSCL	CONDITIONS OF QUOTATION AND INSTRUCTIONS TO BIDDERS	Page 2 of 8
		WBMSCL/NIQ – 23/2017

7. SIGNING OF THE CONTRACT :

The successful quotationer shall execute a contract agreement immediately on receiving LOI / Work order by WBMSCL.

In the event of failure on the part of the successful quotationer to sign the agreement the EMD will be forfeited.

8. CHANGE IN CONSTITUTION :

Any Change in constitution of Contractor's firm must be done only with prior information to WBMSCL.

4.2 Late quotations are likely to be rejected and will be returned unopened or lie at the sole discretion of WBMSCL.

4.3 Bidders are advised to submit quotation based strictly on the terms and conditions and other schedules contained in this quotation document and not stipulate any deviations. All attachments to this quotation document as applicable will become part of any resulting contract.

WBMSCL	CONDITIONS OF QUOTATION AND INSTRUCTIONS TO BIDDERS	Page 5 of 8
		WBMSCL/NIQ – 23/2017

- 4.4 No pages of the quotation document downloaded from www.wbmsc.gov.in shall be removed or altered and the whole set of Quotation Document as downloaded must be submitted duly filled in and signed by the Quotationer. Failure to comply with this requirement may result in summary rejection of the quotation. The Quotationer shall sign & seal on all pages of the Quotation.
- 4.5 Completeness of Scope of Work: Quotations shall be for the complete scope of work as described in the Quotation Document, without any exclusions. Only those quotations who meet this requirement will be considered for award of the contract.
- 4.6 The Quotationer is responsible for properly estimating the difficulty and cost of the work. The Quotationer may request and obtain from all concerned sources/authorities the clarification of items that require additional definition prior to submitting the proposal. Questions on clarifications required from WBMSCL shall be submitted in writing.
- 4.7 The Quotationer is deemed to have visited the site and familiarized himself thoroughly with the site conditions.
- 4.8 The quotationer shall bear all costs associated with the preparation and submission of his quotation and further clarifications as needed including participation in discussions at WBMSCL shall in no case be responsible or liable for such costs regardless of the outcome of the quotation evaluation.
- 4.9 Any updates of the quotation / Amendments to the quotation documents will be published only in WBMSCL's website prior to the date of submission of quotations for the purpose of clarification and / or reflecting modifications in the requirements in the quotation, which shall be complied with by the quotationer.
- 4.10 Prices shall be quoted both in figures and words.
- 4.11 WBMSCL shall proceed with evaluation of the Pre-qualification quotations and /or Technical & Commercial quotations based on documents as received with each quotation and shall not be obliged to call for any missing documents. Quotationers are requested, in their own interest, to ensure that their quotations are complete in all respects containing all requested documents and those who do not comply with this requirement would be doing so at their risk.
- 5.0 PRICING**
- 5.1 Bidders base quotations must conform in all respects with the enclosed specifications, drawings, terms & conditions and other schedules enclosed herein.
- 5.2 The unit rate quoted will form the basis of compensation even if the scope of work is altered or vary within the stipulated comparison period.

WBMSCL	CONDITIONS OF QUOTATION AND INSTRUCTIONS TO BIDDERS	Page 6 of 8
		WBMSCL/NIQ – 23/2017

5.3 Bidders are requested to quote firm prices / rates valid through the completion period and no escalation in prices / rates whatsoever will be permitted.

5.4 In case Bidder modifies his rates / prices before placement of order, his offer is likely to be disqualified.

5.5 All taxes and duties **shall be included in the quoted prices**. No increase in taxes, duties (ie. Goods & Services Tax, Excise duty etc.) shall be admissible. **Goods & Service tax, if any, shall be quoted separately and it will be paid as extra, as per Service Tax Rules.**

6.0 EVALUATION OF QUOTATIONS

6.1 The following conditions shall be considered in the evaluation of quotations:

- a. Agreement with terms and conditions and schedules of enquiry documents.
- b. Price
- c. Delivery / Completion period
- d. Experience with the same or similar works for the intended services
- e. Bidder's resources (Finance, man-power, etc.) under possession for satisfactory execution of WORK.

6.2 Bidders are expected not to take any deviations from the payment terms indicated in the quotation documents.

7.0 BID OPENING

PART-I quotations shall be opened first and evaluated. PART-II quotations of only those quotationers who are qualified for the job after evaluation of Part-I quotations will be opened later. The date and time of opening of Part-II quotations shall be intimated to the quotationers. Those who wish to attend the opening of Par-II quotations may do so.

8.0 CLARIFICATIONS

If quotationer is in doubt as to the true meaning of any part of the quotation document he shall notify WBMSCL immediately from the date of issue of the quotation document in the form of a detailed questionnaire clearly listing out the document, page and clause required. WBMSCL shall endeavor to furnish replies there to as early as possible. No claim shall be entertained subsequently on the grounds of insufficient knowledge at the time of submission of quotation.

9.0 PROGRAMME OF WORK

Bidder is requested to furnish along with his bid a detailed programme of work high -lighting all important milestones to accomplish satisfactory completion of WORK within the stipulated completion period.

WBMSCL	CONDITIONS OF QUOTATION AND INSTRUCTIONS TO BIDDERS	Page 7 of 8
		WBMSCL/NIQ – 23/2017

10.0 CONSTRUCTION UTILITIES

The Contractor shall make his own arrangements for Water and Electricity required for the required work.

11.0 ACCOMMODATION

It will not be possible for WBMSCL to provide land or any facilities for residential accommodation for staff and labour of the CONTRACTOR.

12.0 SITE VISIT BY BIDDER

Bidder is advised to visit the job site to collect any further information/ data which he thinks useful for bid purpose. WBMSCL Engineers / Officers will provide all assistance to the bidder for the above.

13.0 LANGUAGE AND UNITS

The quotations must be submitted in English Language and the units of measurement will be in metric system

14.0 CORRECTIONS

All corrections and alterations in the entries of quotation papers shall be signed in full by the quotationer with date. No erasures or overwriting, are permissible. If any discrepancies are found between the values given in words and figures of the rates quoted between the rate and amount shown in the quotation, the following procedure shall be followed:

- a. When there is a difference between the values of rate quoted in figures and words, the value which corresponds to the amount worked out by the quotationer shall be taken as correct.
- b. When the values of rate quoted by the quotationer in figures and words tally, but the amount is incorrect, the rate quoted by the quotationer shall be taken as correct.
- c. When it is not possible to ascertain the correct rate as prescribed above the rate in words shall be deemed correct.

15.0 AUTHORISED REPRESENTATIVE OF QUOTATIONER

The quotation must contain the name, address, place of business of person or persons making the quotation and shall be signed by quotationer with his usual signature with seal of the company. Partnership firms shall furnish the full name of all the partners. It should be signed in the partnership's name by all the partners or by duly authorised representative followed by the name and designation of the person signing. A copy of constitution of the firm with names of all partners shall be furnished. Quotation by a Corporation shall be signed by an authorised representative and a Power of Attorney in that behalf shall accompany the quotation.

WBMSCL	CONDITIONS OF QUOTATION AND INSTRUCTIONS TO BIDDERS	Page 8 of 8
		WBMSCL/NIQ – 23/2017

16.0 AWARD OF CONTRACT

Contract will be awarded by WBMSCL to the quotationer whose quotation has been determined to be responsive and who has offered the lowest evaluated price provided that the Quotationer so selected for award has the capacity and resources to carry out the contract as judged by WBMSCL. Notwithstanding the above, WBMSCL reserves the exclusive right to accept or reject any or all quotations without any obligation or liability whatsoever to any of the quotationer.

17.0 SAFETY AND SECURITY

The contractor shall strictly observe all safety precautions and security regulations of WBMSCL and shall comply with the instructions of the Engineer-in-Charge or his deputies in this regard. (Please refer the Safety practices).

18.0 CORRESPONDENCE

All correspondence with respect to this quotation inquiry must be addressed to:

1.0 INTRODUCTION

West Bengal Medical Service Corporation, West Bengal, Kolkata intend to verify and update the record of the entire land available for the campus including all the existing and proposed facilities. Hence it is proposed to conduct a detailed topographical survey for the entire area (approx: 21.41 Acre) occupied for the Campus as per the attached scope of work. Technical Specifications and General Conditions.

2.0 SCOPE OF WORK

The scope of work consists of the following.

1. Clearing the area (without cutting my trees) as required for the smooth surveying of the land as per the specifications.
2. Conducting detailed topographical survey of the proposed area of 21.41 Acres (approximately) as marked in Drg. No: 1939/1 using total station by taking spot levels at 10m x 10m grid or at every change in terrace whichever is smaller at the area marked and locating all physical features in the area. All roads have to be marked and wherever the land profile is in a terraced form the levels of each terrace on both edges to be taken and the width of each terrace to be marked clearly in the drawings. All levels are to be connected to a permanent bench mark available near the area.
3. Erecting grid pillars indicating Reduced Level and Coordinates as specified
4. Preparation and submission of topographical drawings showing all boundary details and measurements indicating all buildings, structures, foundations, supports, rivers, streams, drains, towers etc and salient features of the ground. Plinth levels of all the buildings above ground level in open areas, located within the area to be surveyed, shall also be indicated in the details.
5. Preparation of contour maps showing reduced levels at 10m intervals or at points where abrupt changes are noted with contours of 2m interval. Reduced levels of the existing roads. Along the centre line at 15m interval are also to be shown.
6. Building, drains, canals, water bodies, trees, fencing/ compound wall, retaining walls, over head power lines, pipes, bore wells, all foundations above ground level, etc to be noted in the survey map.

3.0 the work shall consist of the following

1. A detailed Topographic survey have to be conducted using any methods or combination of methods like Electronic Total Station, DGPS, High precision Laser Distometer etc to achieve the required accuracy showing the correct shape of land, adjacent roads, boundaries, over head lines, all structures including foundations, pipes and cable trenches etc.
2. The data from topographic survey shall be available in (x,y,z) format in 10 m intervals for use in a sophisticated digital terrain model (DTM)

Survey shall be conducted systematically and sequentially from one end covering details of all features such as structures, buildings, utilities, existing roads, electric and telephone installations (both over head and underground). Post & pipe lines, open drains, artificial natural

		PAGE 3 OF 3

3. Ponds, culverts, canals, fencing, trees (with type & girth), oil and gas lines, boundary lines, wells, slushy areas, survey stones etc falling within the extent of survey.
4. The features covered during survey shall be well defined by proper descriptions.
5. The details of trees with reference number, type, girth, etc shall be furnished in Excel format in soft copy. The girths of trees are to be measured at 1 m above ground level.
6. The survey output shall be accurate and shall be compatible for developing a digital terrain model of the ground using latest software and the DIM so developed should give a true replica of the ground.
7. All physical features such as buildings, monuments, burial grounds, places of worship, posts, pipelines and their supports and clearance from ground level, existing roads and railway lines, open nallahs, waterways, bridges, cultivation, boundary lines, wells, slushy areas, survey stones, etc are to be located legibly and accurately in the map.
8. Boundary pillars of RCC construction shall be erected along the boundary and at all the corners of the boundary of the plot.
9. Grid pillars and boundary pillars as specified shall be erected at site showing the reduced level and coordinates of pillar and shall be numbered serially, which shall also be located in the drawing.
10. Grid pillars shall be of size 60cm x 60cm x 180cm, cast in Rcc mix 1:2:4 Providing formwork and reinforcement 4 nos. 12mm dia verticals and 8 mm dia, ties @ 150 c/c are also included in the scope. The pillars shall be embedded in concrete up to a depth of 80cm with cement concrete 1:4:8 (10 cm wide all around). The balance 100 cm above ground shall be painted yellow and marked with coordinates and reduced level on it with black paint on the sides of the pillar.
11. Details of grid pillars and boundary pillars erected at site shall be furnished in excel format with reference to the number and coordinates.
12. Transferring and establishment of necessary bench marks from nearby available bench marks shall be under the scope of the contractor.
13. The scale to be adopted for preparing the map shall be 1:1000 or as directed by the Engineer-in-Charge and the survey map is to be prepared in one or more number of sheets as required.
14. Equipments required for the work such as total stations and all accessories to complete the work within the specified time are to be arranged by the contractor.
15. The entire manpower required, both technical and non-technical for carrying out the field work and preparation of drawings are to be arranged by the contractor.
16. The field work and the plotting work are to be carried out strictly in accordance with the instructions of the engineer-in-charge.
17. All stationery required for the work is to be arranged by the contractor.

DATA SHEET	SPECIFIC REQUIREMENT OF WORK	WBMSCL/NIQ – 23/2017
		PAGE 3 OF 3

4.0 REPORT SUBMISSION

Six full sets in hard copy and one soft copy of the draft maps / drawings, showing contour details as specified shall be submitted for comments. Final drawings and documents after incorporating comments, if any, shall be submitted in five sets in hard copies along with a soft copy. The drawings shall be made in standard sizes such as A1, A2 etc.

5.0 GENERAL CONDITINS

1. Along with the offer, the contractor shall furnish a list of survey equipments like Total station. Auto levels, connected tools, etc available with him which can be deployed exclusively for the job so as to complete the work within the time schedule Details of technical personnel proposed to be deployed for the work shall also be furnished.
2. Quotationers are advised to visit the site and get a clear idea of the area to be surveyed before quoting. The offers shall be deemed to have been made with full knowledge of all the features of the land as well as the procededures to be followed for executing the work. The bidder shall bear all costs associated with the preparation and submission of the report as specified, including cost of demonstration, benchmarking and presentation for the purposes of clarification of the reports if called for.
3. The attached mouza drawing (Drg. No: 1939/1 of the campus can be used for reference to the Contractor. The actual extent of land available for survey shall be surveyed and boundaries to be clearly marked wherever required including submission of the details as described in the scope of work.
4. The work shall be carried out fulfilling the various conditions stipulated in the quotation documents and the rate quoted for the various items shall be inclusive of the above.
